# From our Acting Group Scout Leaders, Alison and Louise.

## GSL Report

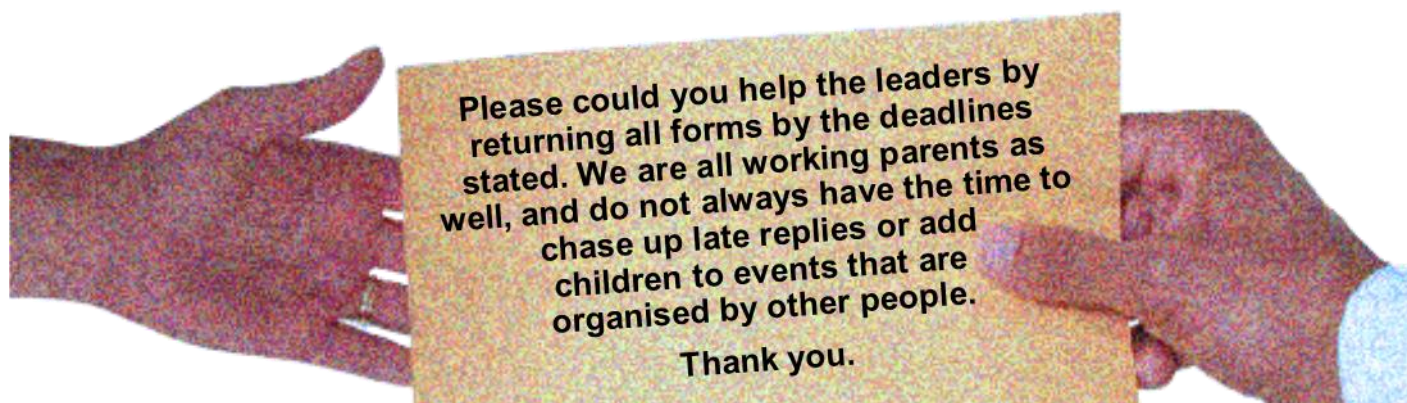

The new year is underway and our leaders have been hard at work planning another year of exciting Scouting for our members. We're sure that, like us, you are looking forward to seeing the Beavers, Cubs, Scouts and Explorers getting stuck in with their usual enthusiasm, and earning new badges and awards.

Everything we do is reliant on funds we raise through our fundraising events, so a big "Thank You" for your help with our Christmas raffle and our Bag Packing day at Waitrose. These events raised over £1600 which will go towards our plan to buy a second minibus and other equipment. Planning for our Summer fair on Plough Green will now be getting underway and this year we really need some more people to help with the organisation before the event. We would like a parent representative from each Beaver Colony, Cub Pack, the Troop and Explorer Unit to liaise between the other parents in your section and the fair committee, so please let your child's Section leader know if you could do that for us. Also, if you could help with sending out letters, approaching local companies for raffle prizes and advertising etc, please contact one of us as soon as possible.

As you know, one of the badges your children earn is the Personal Challenge – how about a personal challenge for yourself? We always need more adults to help out, so why not give it a try? You do not need to have been member or to have any experience as everyone brings something different. The one thing you will have in common with those of us already involved is the sense of reward you will get from seeing our young people develop. Please speak to one of us if you would like to know more.

*Alison Eggitt and Louise Dibble*

# District Cub Centenary Sleepover

At the beginning of October 36 Cubs from Cornwell and Kipling Packs made their way to Chessington World of Adventures to attend a District Cub Centenary sleepover. Despite the inclement weather all of the Cubs enjoyed two days of fun on the rides on the park together with the excitement of sleeping under canvas in a muddy field!!

With over 200 cubs from the District enjoying rides such as the Vampire, the Cobra and Dragons Fury a great weekend was had by all. Even some of the really big kids (i.e. the leaders) screamed their way round some of the rides!

We are grateful to Gary at 3<sup>rd</sup> Kingston for organising the event and to the parents and leaders in the Group who helped to set up and pack away the tents

## 10M marks the Centenary of Cub Scouting in 2016

Not wanting the occasion to go unmarked, 1<sup>st</sup> Old Malden hosted a Tea Party to mark the Centenary of Cub Scouting in October. Invitations were sent to all adults, for whom we had contact information, who had helped with any of the Group's three Cub Packs since the start of 10M in 1950. This was also the perfect chance to thank all of these adults for their service to 1<sup>st</sup> Old Malden.

With current members of the Packs and their parents and siblings also invited, along with 10M leaders and Executive members the afternoon was soon in full swing. Happy memories of cub activities were shared amongst the reunited former leaders and displays of photographs and press articles from across the years helped the trip down memory lane!

There were lots of lovely cakes made by Cub families to share along with an endless supply of tea! During the afternoon, former Cornwell Pack Leader from the 1960s Marion Parsons cut the celebration cake with help from all the Cubs! A quiz based on the 100 years of Cub Scouting got everyone thinking and the afternoon was rounded off perfectly with some songs around an indoor campfire!

With 19:16 hours on Friday 16<sup>th</sup> December being designated as the time for all Cub Scouts to renew their promise by Scout HQ, members of both packs headed to Southwood Activity Centre for their Promise Party. After some games in the dark the Cubs headed to the campfire to renew their promise at 1916. Campfire songs and hot dogs (provided by members of Network) followed and each Cub received a Centenary scarf to keep. The evening was also a special celebration for 9 new Cubs who made their promise and officially joined Cub Scouting at 10M.

Thank you to anyone who helped in anyway with our Tea Party or Promise Renewal Centenary celebrations!

*Alison*

# Winnipeg's Report

'Unbelievably we have started another school year. The Beavers have behaved so well this term and we have had lots of fun! Our Autumn term has consisted of a trip to Pets at Home where we were looked after very well from the staff and got to hold some very cute pets which the Beavers very much enjoyed! This term has also been busy completing the Cook and Safety Activity Badges. Completing these badges has included making our own snacks including cheese straws, chocolate crispy cakes and preparing fruit salad as well as looking at dangers around the home and how to help to keep our houses safe. Our other activities have included a music evening experimenting with different instruments, making wonderful Christmas crafts and having lots of games at our end of term Christmas party. The personal challenge has been a big part of our term, looking at how we can improve ourselves by doing little things such as remembering something small or being helpful at home. Thank you to those beavers who attended our bag packing at Waitrose and helped to reach our fantastic total too. We have said goodbye to a few beavers this term who are moving up to cubs - Callum Wheatcroft, Aleksandar Galev, Ben Horton, James Wright, Harry Young, Edward Ironside & Harry Lawrence. Congratulations on receiving your Chief Scout Bronze Awards and I hope you go on to have a brilliant time in Cubs. This term has been lots of fun and I just wanted to thank all the parents for their love and support as well as my fantastic team - Holly Everest, Sharon Sapey, Laurence Riley, Amie Leddington and Ella Leddington. Your hard work is not unappreciated. Thank you very much.

**Hannah Coote , Beaver Scout Leader Winnipeg Colony**

# Yukon's Report

We really were busy Beavers at Yukon Colony last term.

We made catapults, bread in plastic bags for Harvest Festival and got very creative doing junk modelling. We made a Poppy Wreath with our handprints and laid it on the War Memorial at St John's Church on Remembrance Sunday. For other annual celebrations we decorated oranges and had our own Christingle evening, and had a spooky Halloween party playing bobbing apples and trying to eat donuts hanging on string. Unfortunately our attempt at making salt dough Christmas decorations was a little trickier than we thought!

We have been out and about too. We visited the Apple Store and had fun programming the Sphero robots. Our Young Leaders organised a hike for us and we had to take photos of things on the walk using disposable cameras. The following week we made collages with the photos to tell a story of the hike. For the last meeting of the year we went to Charrington Bowl where we had great fun bowling. Lots of us helped at the bag packing day at Waitrose (we were the cute looking ones stood by the door in our Santa hats!)

Our Community Police Officers came to visit us and they told us all about their uniform and let us ask them lots of questions. We even tried the handcuffs for size!

Oh and we even found time to gain lots of badges and invest 5 new Beavers, so welcome to Gabriel, Ethan, Malakai, Anya and Max. Joshua S, Chayce and Finlay have also joined us and will be invested soon.

Thanks to all our Leaders and Helpers – can't wait to see what we can pack into this term!

**Jenny McCallum, Assistant Beaver Scout Leader, Yukon Colony**

# Cornwell's Report

Cornwell Pack had a busy Autumn term, with activities based on things such as the Olympic Games & Guinness World Records and making Lego models and cakes in a mug.

The term also saw both Packs celebrating the Centenary of Cub Scouting with a sleepover at Chessington World of Adventures.

Also, a Tea Party for former iOM Cub Leaders and a Promise Renewal Party. See a report elsewhere in R&Y about the Centenary events.

The Pack also worked on their Entertainers Badge with evenings spent creating “stop-animation” films and practising camp fire songs for the Centenary Tea Party. The Pack were really excited when members of the Kingston & Malden Scout & Guide Band came down with some instruments for them to try. After making lots of noise in groups the Pack came together to finish the evening with a rhythm session using drums, cymbals and a whole host of percussion accessories.

Early in the Autumn term the Cubs managed to complete the Adventure Challenge Badge which they had been working on since the Summer term. (see Group Honours).

In November, the Pack created a tribute to its namesake *Jack Cornwell* VC by making a poster of their thumb prints in red paint to represent remembrance poppies. With the 100<sup>th</sup> Anniversary of the Battle of Jutland in May 2016 it seemed more appropriate than ever to remember young Jack's bravery and sacrifice.

Over two nights in November the Cubs paid a visit to 1<sup>st</sup> Hook's HQ to have a go at air-rifle shooting. The Cubs really enjoyed their sessions and there were some very impressive scores!! Thank you to Fergus Lang and his team at 1<sup>st</sup> Hook for supervising the sessions and to Rex Barrington for driving the minibus on one of the evenings.

Whilst one half of the Pack headed off for their rifle shooting the remainder of the Pack had the chance to show their creative side (and work towards their Artist Badge!) with some Christmas crafts, making Rudolf inspired wooden spoons and designing Christmas cards and badges.

The last week of term was very hectic with an evening supporting St. John's Church with their carol singing at Worcester Park station (raising over £300 for St Raphael's Hospice) followed by a joint party with Kipling Pack at the HQ. On the Friday both Packs joined Cubs all over the world celebrating the Centenary of Cub Scouting by holding a Promise party at Southwood (see the separate report).

Finally, on the Saturday, Cubs from both packs helped with the Group's very successful bag packing at Waitrose!!

During the Autumn term we welcomed 9 new faces into the Pack: Sam Hampton, Harry Combes, Eleanor Macleod, Youngin Cho, Ben Dowd, Sam Dowd, Harry Dowd, Ibrahim Sharif, Yusef Shakir, James Wright. At the start of 2017 we have welcomed 3 more new faces; Edward Ironside, Ayhan Husseyin and Daniel Shin. Orange Six, led by Finn, came out on top in the termly Inter-Six challenge and received some Christmas chocolates!

At the beginning of 2017 I have been very proud to be able to present the top award in Cub Scouting: The Chief Scout's Silver Award to William, Finn and James before they move on to life in the Troop. We are sorry to see them go but wish them well in the future and say thank you for being a part of Cornwell Pack.

In the months ahead we will be completing our Digital Maker 1 & 2 badges (including a visit to the Apple Store), making pancakes and visiting Southwood (for fire lighting activities) and White Spider Climbing Centre. We are also planning a weekend camp in May with Kipling Pack.

Finally, thank you to all the leadership team at Cornwell; Sean, Kristie, Rosie & Alex for helping me to provide great Cub Scouting for all our young people every week.

. "I would like to officially welcome Rosie Eggitt to the leadership team of the Pack following her recent 18th Birthday. Rosie has been an enthusiastic, reliable and committed Young Leader with the Group for four years and we are thrilled that she has made the transition to the adult role of Section Assistant."

**Alison Eggitt, Akela**

# Kipling's Report

We've had a very busy time over the Autumn and Winter, especially with all the Cub100 Celebrations, including a tea party at the Scout Hut, an amazing Sleepover at Chessington World of Adventures and finishing up with renewing our promise at Southwood on the 16<sup>th</sup> December at 19:16.

Badge work has played a key part in program and we have managed to complete the Artist Badge, Entertainers Badge, Digital Maker stage 1 and ticked off many requirements for the staged Our World Challenge badge and others.

For remembrance in November we looked at the 100 year anniversary of the Battle of the Somme and had a go at making the "Bleuet de France" the French equivalent of the Poppy, but a Blue Cornflower.

We have had many fun evenings trying new things, some of these included a Tae-kwon-do night,

building balloon powered Lego racers, cooking in a mug, stop frame animation, learning some Portuguese Games (Thanks to Ana from Network) building Robot hands and more....

We are all now looking forward to a visit to the Apple Store in Kingston, this will complete the Digital Stage 2 Badge, we also have some air rifle shooting nights and pancake cooking to look forward to.

In November we took part in the District Swimming Gala and finished in a commendable 7<sup>th</sup> place, well done to Archie, William, Elan, Owen, Christian and Kobey. We have a new district swimming event at the beginning of February which will have a joint 1<sup>st</sup> Old Malden team, there is also the Scooter Rally at the beginning of March.

Kipling said a farewell to Ben Andrews, Daniel Young and Derrell Thompson, all of which gained the top award in Cub Scouting – The Chief Scouts Silver Award.

We have had 11 new faces join us since September, welcome to Christian, Kai, Kobey, Benjamin, Joshua, Callum, Aleksandar, Ben, Harry Y, Harry L and Jack !

As ever I must say big thank you to the Kipling leadership team of Nic Youster, Jackie Moore and our young leader Charlie Howes for all the hard work they put in each week. We have also been joined by Amber for 3 months while she volunteers for her Duke of Edinburgh Bronze award.

**Kevin Cornford, Akela**

# Troop's Report

The start of our 2016 Autumn & Winter programme, takes into account that the Scouts start new academic years & new schools. It only seems fair, then, that for our first few meetings, we spend the time playing Scouting games in & out of doors, 'joining in' and not taking our scouting too seriously.

Of course, we camp, taking the senior scouts on a privilege camp at Polyapes. Where they learn to look after the camp site and develop their roles in the troop's leadership.

For our badge work, we concentrated on achieving our Skills & Creative challenges.

The troop taught each other some new tricks and ideas, whilst a few friends of the troop dropped by to help demonstrate and inspire with their particular talents.

We keep our traditions too, and Guy Fawkes night revolves around the troop making a huge bonfire, before watching the inferno engulf our Guys in a few seconds!

Our Young Leaders also got a chance to run a meeting, providing a full evening's program of activities for the troop. And for a treat, we spent our last meeting extending our climbing skills at White Spider Urban Climbing in Chessington.

Finally, thank you to Tom , Cillian, Ewan, Matthew & Eloise for their commitment, assistance and contribution to the fun, adventure and Scouting for our troop.

**Callum Grant, Troop Leader**

# Titan's Report

EXPLORERS

Titan had a good Autumn/Winter term in 2016, and we had loads of great activities, perhaps most notably "Octo Camp". Our programme also included: wide games at Oxshott woods, a firework display, shooting, a photography exhibition, a Christmas pizza party and ice skating at Hampton Court Palace.

Octo camp was run by me, Henry and Amie for 7 other explorers under the Event Passport scheme (this meant that there were no adult leaders present) for 4 days at the end of the October (hence "Octo") half term. There were lots of activities, both run by Walton Firs and organised by us. We did: Crate Stacking (much more fun than it sounds!), Frisbee Golf, Pushball and Giant Games. There was also pumpkin carving, fires every night and backwoods cooking. The camp was really enjoyed by all, and it was especially rewarding to run the camp. Thanks to all the participants for making it such a great experience!

This term we have planned: a "Chip Crawl", Swimming at Guildford spectrum, Pancake making, Morris Dancing and a Supersized Easter Egg Hunt, to name only a few. We are also going to do the Monopoly Challenge in London where we will be visiting all the roads on a Monopoly board as well as running our annual Robot Wars.

Over the next year, there will be several people starting their DofE Bronze's and we are organising a group for DofE Gold which will take place in Scotland along the coast-to-coast Great Glen Canoe Trail!

I wish everyone a happy and prosperous new year!

**James Farquharson**

Evidence of fruit  
being eaten!

# YOUNG LEADERS

How many of our readers are aware of another great group of young people we have at 10M?

I am, of course, talking about our Young Leaders. We are fortunate enough to have 11 Young Leaders at 10M. Young Leaders are Explorer Scouts aged between 14 and 18. They help every week at each of our different sections, running games and helping to plan activities. They share skills that they have gained during their Scouting experience and are great fun to have around, whilst still enjoying their own Scouting as part of Titan ESU. Their input into our various weekly meetings is valued greatly by the Adult leadership team.

So what's in it for the Explorers, apart from having fun? Well, they are all on the Young Leaders Scheme working towards achieving one of the biggest awards that Explorers can gain, their Young Leaders Buckle. Once they have completed the training, they are awarded a Certificate and Buckle by our District Commissioner and the training that they have undertaken will give them skills in leadership, planning, organisation, understanding disability and making Scouting accessible for all, along with teamwork and other skills which will help to prepare them for later life. The training is also formally recognised by the Institute of Leadership and Management and will pre-qualify them for a lot of their adult training in Scouting should they wish to become adult leaders once they turn 18, and we really hope that they will!

So Scouts, once you have turned 14 and settled into Titan for a few months, why don't you think about giving Young Leader's a go? All you need is a sense of fun and a couple of free hours a week.

Want to know more? Contact Richard at Titan, or me, Jenny at [jenny.mccallum12@gmail.com](mailto:jenny.mccallum12@gmail.com) or speak to one of the Young Leaders.

What have you got to lose?

# Aurora

## Volunteering: IT'S EASIER THAN YOU THINK.

Scouting offers fun, challenge and everyday adventure to over 100 girls and boys in 1st Old Malden. But it's about fun and friendship for adults too. We have opportunities to help both behind the scenes and working with young people. You can give as much or as little time as you like and you can fit volunteering around your work and family commitments.

**Volunteer today and make a positive impact on 1st Old Malden and your community.**  
Email [aurora@1omscouts.org.uk](mailto:aurora@1omscouts.org.uk)

[1omscouts.org.uk/get-involved](http://1omscouts.org.uk/get-involved)

Andy McCallum, Aurora and Network Coordinator [aurora@1omscouts.org.uk](mailto:aurora@1omscouts.org.uk)

# In Their Own Words “”

Members of 1st Old Malden tell us in their own words about the great things they've done with the group.

## Bag Packing by Thomas G.

Before Christmas, we went to bag pack at Waitrose to raise money for our pack. Waitrose looked very merry, the tree was up in the building, and there was tinsel scattered around.

When I got into Waitrose, some Cubs were standing near the door shaking big tubs filled with money. Soon I was asked to get involved and off I went.

I was nervous at first, but then I got used to it. After that, me and some of my friends went near to the entrance to collect money, we decided to sing some Christmas carols. Lastly, I went back to do more work on the tills, then it was time to leave the gun and wished everyone a Merry Christmas.

The end

One of my favourite activities was making a "cookie inside jar" present. We weighed and measured the ingredients and then carefully layered them inside the jar. The cocoa powder, flour, smarties and raisins all looked very attractive and inviting as a present. We put a fancy label on the jar. I chose to give mine to Charlie as a Christmas present!

By Kiran Cornford -  
Kipling Cub Pack

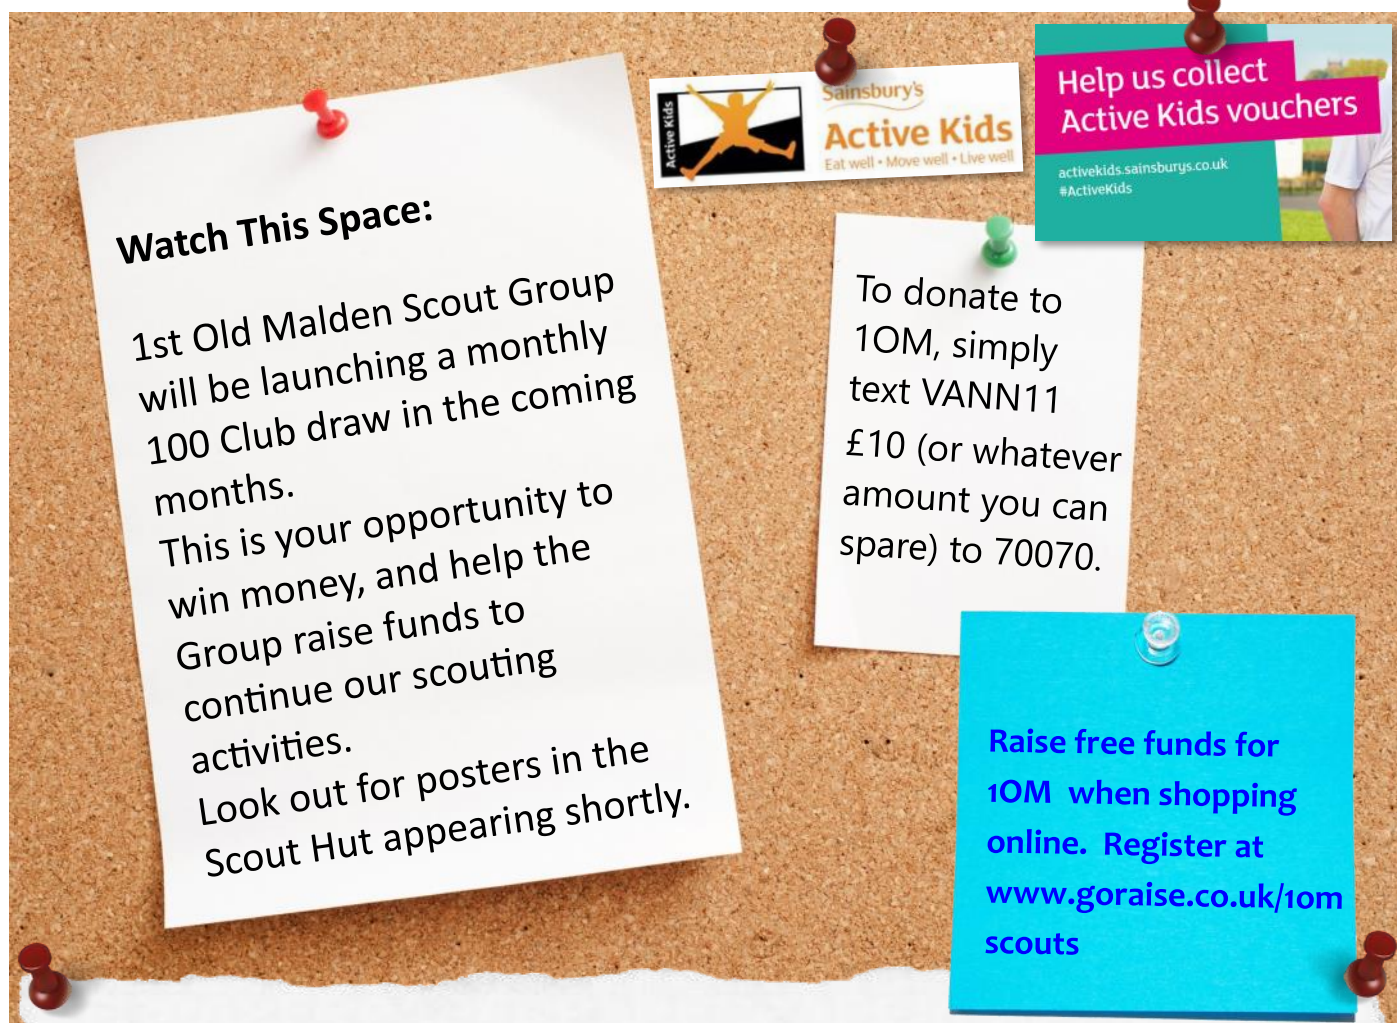

Don't forget! If you write an article for Red and Yellow, you'll get a £5 WHSmith voucher!

On Saturday 17th December the Beavers took part in the fund raising event at Waitrose. I stood by the front door with a big smile and a bucket in my hand. Lots of people walked past us, and mainly old people gave us money. They were very kind. We wished everyone a Merry Christmas and a Happy New Year with our loud voices.

By Nikita Cornford - Yukon Beavers

# Noticeboard

## Summer Fair

June 10th 2017 1OM Scout Summer Fair on Plough Green. A fun day for all the community. Look out for further news over the coming months. We are looking for new ideas so if you would like to get involved in the organisation of this event please contact Duncan Stewart on 07766824100 . No obligation, and a great way to get involved with the Group.

## Follow everything that goes on at 1OM Scout Group!

# Congratulations

Many congratulations go to IOB band members, who have won the following awards!

Rosie Eggitt - Leaders' Band Member of the Year 2016

Robin Barrington (Titan) - Woodwind Player of the Year 2016

Zoë Mendelson (Titan) - Best Turnout (Percussion) General Progress (Percussion), Best Drill 2016

Alex Finnie (YL with Cornwell) - Drummer of the Year 2016

Thank you so much to all of the Beavers, Cubs, Scouts, Explorers and Leaders who helped at our bag packing in Waitrose just before Christmas.

Many congratulations for raising the amazing amount of just over £1,100!

Also, the group's Christmas raffle raised a fantastic £560!

# Group Honours

## Winnipeg
